

CAFE FLORA

CHANAKYAPURI, GURGAON, AMBIENCE MALL, VASANT KUNJ

A note from us, to you

When we imagined Café de Flora, we were chasing a feeling. Slow mornings, the scent of fresh croissants, and conversations that linger over coffee.

This menu is a little love letter to that mood.

Each dish is crafted with comfort, plated with charm and made to match the romance of our space. Inspired by French cafés, layered with flavours we love, and meant to be savoured slowly.

*With love,
Café de Flora*
